ORDER

RONNIE ABRAMS, United States District Judge:

The Court issues this order to clarify the purpose of the conference scheduled in this matter for February 19, 2025. *See* Dkt. 116. Although the parties have recently exchanged letters about alleged violations of Federal Rule of Evidence 408 and the need for sealing, those matters should be directed exclusively to Judge Wang per this Court's July 18, 2025 order referring the case to her for general pretrial supervision. Dkt. 25. The Court will not be hearing "oral argument" on those issues at the February 19 conference. Dkt. 124 (Letter to Judge Wang). The parties should instead be prepared to discuss the current status of this case, including their recent efforts to reach a settlement.

SO ORDERED.
